

Pettis County, Missouri, Cemeteries

This file was begun on 1 December 2004. Updates from the *Sedalia Democrat* are included from those available on that date to the present. The impetus for putting this together is to demonstrate the entirety of information available on Pettis County burial grounds. Sources are available at libraries throughout Missouri, including the Kathryn Linneman Branch of the St. Charles City-County Library District, the Headquarters Branch of the St. Louis County Library, the Central Branch of the St. Louis Public Library, the Missouri Historical Society Library in St. Louis, the State Historical Society of Missouri Library (located in Ellis Library at the University of Missouri, Columbia, MO), the Sedalia Public Library, the Boonslick Regional Library in Sedalia, and the Mid-Continent Public Library in Independence, MO. I have added Genevieve Carter's data, which has been supplied online by Laura Paxton. In addition to this, there are other transcriptions. Elizabeth Prather Ellsberry produced a limited transcription of Pettis County cemeteries (she included Longwood Cemetery amongst her Saline County listings). The Osage Chapter of the Daughters of the American Revolution produced the most detailed listings in a series of five "Rural Cemeteries of Pettis County" volumes, containing information compiled between 1955 and 1970. Some of this predates Carter's work, but most of it post-dates it. The DAR included several of Carter's transcriptions in volumes 2 and 3, but the majority of transcriptions in the collection were not performed by Genevieve ("Mrs. J. R." or "Mrs. Ray") Carter. This material seems to suggest that the three-volume set of *Tombstones of Pettis County* by Mrs. J. R. Carter was published in 1964. The DAR also produced separate series of volumes listing burials in Crown Hill and Memorial Park cemeteries. These contain only burial dates and death places, but no birth dates. There is also a DAR update of these books (the update also contains additional listings for Crown Hill, Memorial Park, and Highland Sacred Gardens). The 1986 update is available in St. Louis and at Boonslick Public Library in Sedalia. Vols. 4 and 5 of the original DAR transcriptions are also available at the St. Louis Public Library, but the first three volumes are available only in Columbia, Sedalia, and Kansas City. In addition to these are a 1979 transcription of Pettis County cemeteries and burial plots, a 1986 transcription of Miller's Chapel Cemetery (available at Boonslick Regional Library in Sedalia), and a 2002 transcription of Blackwater Chapel Cemetery (located at Mid-Continent Public Library in Independence and at Sedalia Public Library). There is also a 1993 Waunita Davis Lovercamp report on Pettis County's burial grounds available at Allen County Public Library in Fort Wayne, IN. J. R. Carter's map of Pettis County cemeteries can be found at Mid-Continent Public Library in Independence, MO. The Sedalia Public Library has a 2002 listing for Pettis County cemeteries and Helen Winston Cunningham's 2004 transcription of County Line Cemetery. There are three transcriptions available online: George Willick (<http://www.rootsweb.com/~mopettis/>) and Laura Paxton (<http://www.interment.net> and <http://www.rootsweb.com/~cemetery/missouri/pettis.htm>) have both provided transcriptions for most of the county's cemeteries. Tara Day has also provided a transcription of Baptist African Cemetery. Willick's material is more useful as it is all alphabetized; however, some of his (and all of Paxton's) are incomplete. Pooling all of this together is time consuming, but it should produce a fairly comprehensive listing for

all of these cemeteries. I will provide updated information once I visit the libraries holding the updated material. Also, I should eventually visit these sites and do some transcribing. In some cases, I have already done some selective transcription. In 2001, my family and I visited High Point, Longwood, Union, and Ellis cemeteries. In 2004, my family and I visited County Line and Green Ridge cemeteries. I thank the *Sedalia Democrat* for providing obituaries online, all those who have provided published transcriptions of Pettis County's burial grounds, and Betty Singer and Rebecca Carr Imhauser for two intriguing books filled with obituaries from Pettis County and with obituaries relating to Mount Herman Cemetery.

In 2002, the DAR produced *A Location Index for Missouri Cemeteries*. Edited by F. Susan Brown Biggs and Shirley M. Brown, the index is in two volumes and was published Dogwood Printing, Inc., in Ozark, MO. All DAR entries are in **red**. (A copy of this two-volume work is located at the Saint Louis Public Library and at the Jefferson County (MO) Library) For those living in the Sedalia area, this book is at Boonslick Regional Library and Marshall Public Library. Also, several of my updates are also in **red**.

On 7 July 2005, my family and I visited the Family History Library in Salt Lake City, Utah. They have on file two transcriptions that I have found helpful in adding to the growing and changing listings. I am grateful for the effort of the LDS, Sedalia, ladies to transcribe the cemeteries they did. Each cemetery they transcribed will have the date of transcription and the names of those who did the transcription. Also, I am thankful for the work of Mary Leona Bales Meyer of Marshall, Missouri. Her collection of tombstones, compiled in 1994, is invaluable and adds a number of names, especially to Crown Hill Cemetery. I am including an index of the five volumes of *Rural Cemeteries of Pettis County* so that future researchers will know what is included in this relatively unknown (at least to some out-of-state folks) collection of DAR records. I later ordered microfilm from the Family History Library to update the images that were not clear on the CD that the FHL made for us.

In November 2005, Betty Singer and Rebecca Carr Imhauser produced a new book, *Down by Pin Hook*, which focuses on the history of the Newland community in Pettis County. It also contains a complete listing of burials (through September 2005) in Hopewell Cemetery. This list is incorporated into this document.

In April 2006, I discovered that there are additional transcriptions of Pettis County cemeteries in *The Prairie Gleaner*, a publication of the West Central Historical and Genealogical Society of Warrensburg. Copies of this journal are at the Missouri Historical Society and the Saint Louis County Library. Further updates from this journal will be added as time allows. I am also in the process of updating the listings from the Missouri Death Records online database, which was made available in the spring of 2006. I finished entering data from *The Prairie Gleaner*, 14 June 2006. In the fall of 2006, I decided to begin going through whatever online obituaries were listed on the websites of Sedalia, Missouri, funeral homes. I finished going through Heckart-Gillespie Funeral Home obituaries in the middle of October 2006 and I finished going through the online obituaries at the website of McLaughlin Funeral Chapel at the end of October. At the beginning of 2007, I began updating the files further from the Missouri Death Certificates online at the Missouri Secretary of State's website. The update is an on-going project. Further cemetery updates are notes under the corresponding cemetery.

In 2008 and 2009, I visited a number of the cemeteries listed on the Pettis County genweb page. For further information, see each cemetery. Also, I have found the Miller's Chapel listing at Boonslick Regional Library in Sedalia and have included that in my list. I visited twelve cemeteries on 18 July 2009 and on 29 July 2009, my mom, sister, and I visited Longwood (with Betty Singer), Sedalia Hebrew Union, McKee Chapel, and La Monte cemeteries. On 21 August 2009, we returned to La Monte and also covered Dresden, Dresden Black, and Prairie Hill cemeteries. On 1 September 2009, we attempted to visit Asbury Goodknight Cemetery, but the entrance was overgrown. We were able to visit Bethlehem Baptist, Saint Patrick's, Pleasant Hill, Abell, Flat Creek Baptist, Smithton, Bahner, and Providence Baptist. We did not find Lake Creek or Lamb cemeteries. On 7 September 2009, we visited Lake Creek, Lamb Immanuel Evangelical, Irwin, Lee-Glenn, Olive Branch, Olive Hill Amish Mennonite, and Salem Methodist cemeteries. On 12 October 2009, I visited Irwin and St. Paul's Lutheran cemeteries. This completes the active cemeteries, with the exception of the Marshall Family Cemetery, to which I have no directions, and the Calvary Episcopal Church Columbarium.

In 2010, I turned my attention to the inactive cemeteries. On 15 January 2010, Betty Singer and I visited DeJarnette Family, Beaman, Forbes-Bouldin, Thomson, and Allcorn cemeteries. She also showed me the sites for Scroggins (destroyed), Benningfield, and the address in front of the large cemetery in Georgetown. On 5 March 2010, Betty Singer and I visited Antioch Baptist, Point Pleasant, Prairie Chapel near Windsor, Old Hickory Point, Bethlehem Baptist, Asbury Goodknight, and Ellis cemeteries. On 19 March 2010, I visited Heath Creek Baptist in Saline County, Raines, Ellis, Scott, Hopewell, and Beaman. I found another transcription of South Fork Cemetery in Saline County cemetery records (DAR, but published by Elizabeth Prather Ellsberry) at Kathryn Linnemann Library in St. Charles on 29 March 2010. On 9 April 2010, I took my mom and sister with me to Hieronymus, showed them the area where Greer and Swope cemeteries are supposed to be, took a picture of the Hunt slave marker (in a pasture with cattle, so I did not go in), stopped by the house where Kearney Cemetery is supposed to be, then transcribed Point Pleasant (or Pleasant Point), took a picture at Memorial Park, transcribed Quisenberry-Shobe and Old St. John's Catholic cemeteries.

Abell-Ransdell Cemetery

Flat Creek Township - Section 24 : 38.39.15N - 93.10.39W. North-east corner of Section 24, on the east side of M just north of Pleasant Hill Road. Clearly visible.

The cemetery is a quarter-acre square and is located on land donated by Mr. Abell, who is not buried there, nor any of his family so far as anyone knows. The cemetery is locally known as the Bryant Cemetery, from the number of fine stones placed there by a Sedalia madam named Polly. [All entries in this format are from George Willick's material on the Pettis County website.]

This cemetery was canvassed 20 July 1960 by Mrs. Georgia Chancey, Mrs. Juanita Waggoner, Mrs. Maggie Furnell, Mrs. Edna Wilson, Mrs. Lucetta Landon, and Miss Janice Landon of the Church of Jesus Christ of Latter Day Saints of Sedalia, Missouri.

Benjamin Ransdell married Sally Higgins in Mercer County, Kentucky on 20 January 1820; they came to Pettis County in the early 1830s and entered land, including this cemetery. Another pioneer family from Kentucky, George May, also entered land nearby. The early burials were those of these families and other families related through marriage: Mosby, McFatridge, Mackay, and Bryant. The name Abell was given to the cemetery plot because a Dr. Abell owned the surrounding farm land for a period of years. There were no burials from this family. The cemetery is kept in good condition, in later years much of this care has been by descendants of the William and Nancy (Cathey) Bryant family. This cemetery was copied by Mrs. D. M. Middleton and Mrs. Ira A. Leiter, 1 March 1956. Also known as Abell Cemetery

An additional transcription appeared in the *Prairie Gleaner* 2, no. 3 (June 1971), 64.

George C. Willick updated this cemetery on 3 June 2004; Carol, Amy, and Justin Watkins further updated it on 1 September 2009

Allcorn-Dumdsday Cemetery

Sedalia Township, Section 14. South on New York Avenue to 40th Street, turn east. Pass Goodwill Chapel Road on the right and then cross a small stream known as Breakfast Brook. A lane will appear on the north side of 40th St. just after passing the branch, take a left into it and go to the end. The cemetery is ne of a shed structure. If you reach Marshall, you've passed it.

Like Rabourn and Abell cemeteries, this cemetery has too many surnames to just be a farm cemetery. I don't know who named this the "Allcorn Cemetery" but that's unlikely to be its name. The oldest burials are Gunnells and then Dumdsdays...Harriet Dumdsday married W. S. Allcorn, and then the Allcorns appear, but the majority of interments are Dumdsdays. Speddens are earlier than the Allcorns also.

This recording appears in Mrs. J. R. Carter's first book of Pettis County cemetery recordings, but it's not her recording. Haven't seen this style elsewhere in Mrs. Carter's work (changed here to comply with accepted standards). Likely she gathered it up among things already done before she started her quest to record the county's rural cemeteries, while the other ladies of the DAR worked on Crown Hill. GCW

Sedalia TWP 45N, Range 21 W, Section 14; in Sedalia East on 16th to New York, S to McVey Road, East on McVey and cross a bridge, turn left at first lane; Cemetery is near the barn.

LDS: This cemetery was transcribed by Mrs. Georgia Chancey and Mrs. Juanita Waggoner, members of the LDS church of Sedalia.

Atkins-Stevens Cemetery

Flat Creek or Sedalia Township, Section 23. There are two Section 23s in Flat Creek Township. This cemetery is somewhere in the northern-most Section but it is equally divided between the two townships by Flat Creek. Old instructions indicate that the cemetery is in Sedalia Township; "...south on M to Goodwill Chapel Road, then west..." This puts it north of Flat Creek.

Bahner/Saint John's Cemetery

Lake Creek Township : Section 21. In Bahner, on the south side of V, and just west of the church building. Fenced, attended, and currently accepting burials.

Initially this cemetery was for the community of Bahner. It was placed west of property that belonged to St. John Catholic Church. St John was burying its dead in a cemetery to the east that abutts St Paul Lutheran Cemetery. This was abandoned in 1882, and St. John began burying in Bahner Cemetery. As the Bahner community reduced, this German cemetery became known as St. John Cemetery.

The list below is recorded by 'persons unknown' circa 1984...not Mrs Carter. It is only 20 years old, but requires up-dating. I meant to do it, but opted to record the nearby St. Paul's Lutheran Cemetery instead. I did stop long enough to walk the grounds and take the photo below. GCW

This cemetery was transcribed by Mrs. Juanita Waggoner, Mrs. Diana Brown, Mrs. Edna Wilson, Mrs. Lucetta Landon, Mrs. Maggie Furnell, and Mrs. Georgia Chancey on 1 August 1960. The Osage Chapter of the DAR provided a 1986 update.

This cemetery was also transcribed by Gale Yocum, who submitted his transcription for publication in the *Prairie Gleaner* 31, nos. 3 (July 2000)-4 (October 2000); updated by Carol, Amy, and Justin Watkins on 1 September 2009

Saw this and doubt you have it == "Shot in the Forehead- Accidental Killing of a Negro Boy at Beaman last evening

Friday - March 18, 1898.

At Beaman, at 5 o'clock, yesterday afternoon, while two boys were scuffling for possession of a small pistol, the weapon was accidently discharged and the ball entered the forehead of Willie Walker, colored, aged 14, killing him instantly. The two negro boys, about the same age, were alone at the time and the other boy tried to get the pistol, which was in young Walker's possession. There was no quarrel, just a friendly bout, and it seems neither knew the weapon was loaded. The ball entered the forehead squarely between and a little above the eyes, penetrating the boy's brain, producing instant death. The body of the dead boy was prepared for burial and will be interred this afternoon in the Beaman cemetery.

Now all you have to do is figure out which cemetery.....

Bell Cemetery

38.30.47N - 93.30.14W : Green Ridge Township - Section 7. Near Windsor, on west side of county road just north of Benton County border - a mile and a half sse of Windsor on Vanslyke Road, the only county road in Section 7. Unrecorded. I couldn't locate this cemetery on June 5, 2004. Amish area.

***The Prairie Gleaner:* Located about 1 mile southeast of Windsor, Missouri, on gravel road about ¼ of a mile south of Bill Whitworth house. Stone is on right side of road on opposite side of hedge row.**

This cemetery contains one grave. It was transcribed for the *Prairie Gleaner* 13, no 1 (December 1981)

Bethel Union Church Cemetery

Elk Fork Township, Section 4: 38.42.48N - 93.27.39W. North side of Y, about 12 miles west of Sedalia. Cemetery is about midway between Mahin Road (entering on

the north side of Y) and Renfrow Road (entering on the south side). A rise in the road (Y) allows the drainage ditch to be filled, which gives narrow passage to a tree-line lane in the woods.

No sign of the church foundation is visible. For that matter, nothing defines the boundaries of the cemetery. Not recommended for the faint hearted. Bad ants and other insects, poison ivy and oak, and much underfoot neither visible nor identifiable. I went in with a machete. Likely 50% more could be found with probing and winter visibility. Surprisingly, a very late burial occurred in this cemetery in 1946 after it had been long abandoned. One broken stone found was not read as the ants were in charge of it (big time). GCW

Elk Fork TWP 45N, Range 23W, Section 4; West of Sedalia on Y 10 miles; Cemetery 150 feet north of road. (La Monte, Missouri, area)

This cemetery was transcribed by Mr. and Mrs. Ira A. Leiter for the Osage Chapter of the DAR (Sedalia) on 27 May 1966.

A transcription by Mrs. Jack Young and Philip Young (mother and son) of this cemetery appeared in the *Prairie Gleaner* 1, no. 4 (September 1970), 104

George Willick transcribed this cemetery on 3 June 2004

Updated January 2008: [Daniel and Nancy McIntyre](#) visited this cemetery in mid-month and had no problem finding the church foundation(s). With your back to Y and facing north on the lane...the structure would have been located about 15 to 20 feet on the left. Dan thinks the church was 18 by 24 feet, not including a half circle foundation at the rear (north) of the church where the altar would have been. The cemetery was located, at least partially, behind the church. The McIntyres report the damage to land and markers from trucks continues.

Updated January 2009 by [Nancy McIntyre](#): She says Daniel stepped off the church and believes it to be much larger than he first reported -- the main body of church 30 feet by 60 feet plus the altar at the back of the church.

Updated March 2009: [Nancy McIntyre](#) submitted additional information and photos of her [Dorrance family](#). The marker for [Isaac R. Dorrance](#) was found [lying down](#) in 2008 and they returned this year to restore it. They also found the marker for [Mary J. Ham Dorrance](#), and took photographs [1] [2] of the church foundation.

Updated July 2009: [Justin Watkins](#) sent in additional transcript information.

Listings without spaces are on one marker.

Bethlehem Cemetery, Saline Co., MO

From I-70 and US65 jct, go S on 65 to Co Rd 334, turn W—there is a sign on US 65 pointing to the right with the words “Bethlehem Cemetery” on it. It is located near Marshall Junction, Missouri.

“This cemetery is in Saline County, just north of the Saline-Pettis line, one-half mile west of Highway 65. It is included in this book because so many Pettis County people are buried there.”—*Tombstones of Pettis County*, Genevieve Lois Carter. The following is an alphabetical listing based on Mrs. Carter’s work. Below are also individuals from my files and from obituaries on the *Marshall News-Democrat* website. I have now added individuals from www.findagrave.com. I now have a copy of the transcription for this cemetery from the *Prairie Gleaner*. This, too, has been incorporated into the listing below.

This cemetery appeared in the *Prairie Gleaner* 17, nos. 3-4 and 18, nos. 1-2. These four issues were published from June 1986 to June 1987. An additional update from newer tombstones at the cemetery provided by Carol and Justin Watkins, 14 June 2009

BLACKWATER CHAPEL CEMETERY

2002

Blackwater Chapel United Methodist Church is in the northwestern part of Pettis County, section 5, T47N and R23W. The church was started in the 1840's, and met in the home of John Rice until land for the church and cemetery was given by David Ramey, Rice's son-in-law. Both these men, and more than 600 others, are buried there.

This list is as complete as possible. Additional information- not on the stones-is on the list, including relationships, dates of marriages, maiden names, and military service of veterans. Several unmarked graves have been identified and provided with markers. Such markers are identified with "In Memory of."

Compiled by Helen Winston Cunningham

Bluhm Family Cemetery

Smithton TWP 45N, Range 20W, Section 9; East 3.5 miles on Highway 50 to O, South .5 miles on O to Overstreet Road. On 21 October 2007, I talked to a couple who lives north on Highway O, which is the only direction O goes. (The road changes names south of US 50.) They said that this consists of two graves (They did not consider it a "cemetery") of a husband and wife buried on their farm. Opallee (Wallace) Bluhm was a descendant of the Potter family of Cooper and Pettis counties. She was injured by one of the bulls she was raising on her farm and her injuries led to her death.

Botts/Walnut Branch Cemetery

Elk Fork TWP 45N, Range 23W, Section 1; West 8 miles from 65 on Y to Botts Road, North .5 miles to Grand Road, which leads into cemetery

DAR: Botts-Walnut Branch Cemetery is near the center of Section 1, TWP 45, R23, Elk Fork TWP, Pettis Co., MO. The location is west on 16th Street from Sedalia 8 ½ miles east and north on side road. The church building (Baptist) was destroyed by fire recently and the road leading to the cemetery is east of the church site. The cemetery site is on land entered by Seth Botts from Tennessee, who came to Missouri with his family about 1832. The *Pettis County History, 1882*, on pp. 964-965 gives names of early members of the church. Inscriptions were copied by Mrs. W. E. Burford, Mrs. Ira A. Leiter, and Miss Mamie J. McCormick, 12 January 1953; this cemetery was included in the 1986 DAR update

Justin Watkins visited this cemetery on 8 June 2008 and updated the cemetery via photographs and notations. Prior updates are from the DAR and the Missouri Death Certificates. Officially known as Botts Cemetery

This listing is from *Pettis County, Missouri, Records* (which I found at the Kathryn Linnemann branch of the St. Charles City-County Library District). The listing is unauthored and uncopyrighted, but appears to have been typed in the mid-1970s [circa 1975]. The Social Security Death Index provided additional dates for those who were living at the time of the transcription. The latest burial listed in the transcription occurred in 1974.

Brown's Chapel Cemetery (a.k.a. Bourn)

Flat Creek Township: Section 4 or 33 (North). This is mostly a lost cemetery...fewer people than I have fingers can take you to the general area.

Vesta L. Young DeRiso has donated the recording her mother made that appears below. She explains, "My ggg-grandfather, John Brown, was one of the very first settlers in the county, arriving around 1833. He had land in Flat Creek Township. Some part of that land was later called Wingate Farm. When I was a girl, my mother took me to the family cemetery on that land. We went down a dirt road, across a wooden bridge, long gone, and into woods. The farmer met us there. He said many of the graves were gone, and the creek had changed and washed out a lot of them. He would rebury bones as he found them. I don't remember there being any legible grave markers at that time."

"In going through some of my mother's papers, I found this list of the cemetery at Brown's Chapel (the members of which were later incorporated into the New Bethel Methodist Church). I don't know whether it is listed anywhere else under another name, but it should be called Brown's Chapel Cemetery (Wingate Farm). These names and dates were taken from gravestones in 1950, when she went back to the cemetery with her father, George Vest Elliott. There might have been other graves, but these were the only stones legible in 1950."

Mrs. DeRiso quotes her mother: "When John Brown lived in Missouri, he owned a large acreage at Brown Springs. This was the name of his estate. There was nothing there then. Brown's Chapel was built on his land. Later, a narrow gauge railroad crossed his land and a post office named Valda, Missouri, was established. It no longer exists. The spring still flows, however. This is about 8 miles south of Sedalia via R. 65 on a road just north of New Bethel church"

We have two recordings...the earliest, Mrs Young's first, and then Mrs. Carter's which was about 15 years later. As expected, they don't agree except generally on the number of markers, Mrs Carter finding more footmarkers implies a more wintry recording.

Flat Creek TWP 44N, Range 21W, Section 4; South 4.1 miles on Highway 65 to Anderson School Road, East 1 mile to Crawford Lane; South and East .75 miles on Crawford Lane; Cemetery is in field

NOTE: The road has changed names to Wingate Road since these directions were published. Betty Singer and Justin Watkins asked a local young man named Manuel in the ROTC (5 March 2010) about the cemetery and he called it "the cemetery in the weeds."

This cemetery was transcribed by Mrs. Ira A. Leiter and Miss Mamie J. McCormick, 11 December 1952.

Camp Branch Baptist Church was organized in February 1877. Original members were Salmon Height and wife, Samuel Arnett, Mrs. L. Arnett, Sarah Malcom, and Mrs. N. Rayburn, Minister W. H. Rodgers. The building was erected after 1880. A member of the building committee was J. W. Cole, a grandson of Hannah Cole, who was a widow of Stephen T. Cole, who came to Cooper County at an early date. Mrs. Ira A. Leiter, who has compiled these cemetery records, is a granddaughter of J. W. Cole. **1986 Update** is in **bold type**.

The certificates list them as buried at "Catholic Cemetery." Whether or not that is this Catholic Cemetery or another cemetery in which Catholics were buried, I do not know. I am not certain where this cemetery is located. It is in the Pilot Grove area and could be in either Pettis or Cooper counties in Missouri. The following is from the Missouri Death Certificates. This may be the Clear Creek Baptist Cemetery in Benton County, Missouri or the Clear Creek Cemetery in or near Pilot Grove in Cooper County, Missouri.

County Line Baptist Church Cemetery

Blackwater Township, Section 35. From 127, turn west on Stokley Road [which is currently unmarked. To find it, look for a sign directing you to a Mennonite church. The building for the church was originally County Line Baptist Church]. Cemetery is a little over a mile on the north side.

Blackwater TWP 47N, Range 23W, Section 20 (SE); West on Highway 50, North on 127 to Stokley Road, West 1.5 miles

DAR: Copied by Mrs. J. R. Carter, 1965

A 2004 transcription of this cemetery is available at Mid-Continent Public Library in Kansas City: 977.488 C917C

From the *Prairie Gleaner* 1, no. 3 (June 1970), 72: United Baptist Church of Christ at County Line, Johnson County, Missouri (now Pettis County), met at Brother William Thornton's on the 1st Saturday in March 1844 and after worship proceed to constitute the church at this place. The names of the Presbyters who officiated in this constitution were Joseph White and Thornton Rucker. The names of the Brethren composing this church were the following: Samuel Fisher, William Thornton, Tarlton Oglesby, Daniel Rench, Elizabeth Rench, Mary C. Rench, Malinda Kellison, Henrietta Thornton, Sarah Fisher, Antonett Oglesby, Jesse W. Oglesby, Nancy Oglesby, and S. Fisher, Clerk Protemp.

Helen Winston Cunningham, 2004: County Line Cemetery is in the northwestern part of Pettis County, Section 29, Township 47N, and Range 23W. It is located near Stokley, on Stokley Road, west of what was once County Line Baptist Church. That church, organized before 1872, when land was deeded for it, is still used, but not by Baptists. [The building is now home to a Mennonite congregation]

The cemetery lot was deeded to County Line Baptist Church in 1877 by Rhodes C. and Laura R. Fisher and Samuel and Sarah Fisher. Those four are all buried in the cemetery. The deed stated that the only cost to the church would be the cost of fencing the lot. It is an attractive area with some large cedar trees. A stagecoach trail—originally from Sedalia to Lexington—ran across the land.

This list is as complete as possible at present.

38.44.06N – 93.24.45W: La Monte Township, Section 26. No recording known.

Elk Fork TWP 45N, Range 23W, Section 16 (NW of NE)—this cemetery appears to be located south of Highway Y and north of Highway AA (before it bends southward). The two burials listed below are also listed in La Monte Cemetery. Their death certificates only say that they were buried in La Monte, MO. Google maps places this cemetery on private property southeast of the intersection of MO-127 and Pleasant Green Road

Crown Hill Cemetery and Crown Hill Annex

830 N. Engineer, Sedalia, Mo 65301 --- (660) 826-1562. Current records available. An old (circa 1960) D.A.R. interment listing, taken from Crown Hill records, is at the Sedalia library. [Ed. Note: The DAR listing has been continually updated through 1986. Willick appears to be aware of the first two or three volumes of the DAR recording of Crown Hill. There are at least four volumes and also a 1981 update, which was published in 1986. I have selected some entries from the 1981 update to include in the list. I also include several entries from my genealogical files. I will probably never have complete listings for Crown Hill, Memorial Park, or Highland Sacred Gardens due to the size of these three cemeteries. On 7 July 2005, we visited the Family History Library in Salt Lake City, UT, and copied some microfilm to a CD we purchased there at the library. The majority of the microfilm is focused on individuals buried at Crown Hill Cemetery. I am adding this because it is the only (albeit partial) published transcription of stones from this cemetery that I have found. (The DAR lists burial date and place of death, but does not list birth dates) Some of the below information lists the burial date as the death date.

As I discover that what I have is the burial date, I will replace it with the death date and will either footnote the burial date or have it listed after the death date in place of the place of death.

Apparently there is a section called Calvary in this cemetery. It is the Catholic section of the cemetery. If burials come in for that area they will have a designation at the end of the entry. **Note: I have chosen to put the Calvary Cemetery burials in a separate listing. The burials below are for Crown Hill and Crown Hill Annex. Crown Hill Annex and Glenwood cemeteries are black sections of Crown Hill.**

Legend:

Calvary Section = CS

This is not a complete listing of burials! The records below were provided by contributors to Cemetery Records Online. Total records = 13.

From the Wednesday, August 31, 2005 issue:

Marie J. McNeal, 1904-2005, Sedalia

Marie Jane McNeal, 101, of Sedalia, died Saturday, Aug. 27, 2005, at Four Seasons Living Center.

She was born July 10, 1904, in Pleasant Green, a daughter of Paul C. and Katy Butterwick Schupp. On June 16, 1961, in Sedalia, she was married to James McNeal, who died earlier.

Mrs. McNeal attended elementary school in Pleasant Green. The family later moved to a farm near Smithton. She was very family oriented, taking care of her blind parents into their later years. She enjoyed being a homemaker. She was a member of East Sedalia Baptist Church.

Surviving are a nephew, Melvin Schupp, and his wife, Faye, of Sedalia, a great-nephew; Jason Schupp, of Kansas City; and four great-nieces; Julie Markham, of Pleasant Hill, Shawna Thompson and Tammy Schupp, both of Oak Grove, and Sherry Cook, of New Haven.

She was predeceased by a brother, Martin B. Schupp, and a sister Genevive Schupp McMullin.

The body was cremated.

Graveside services will be at 10 a.m. Thursday at Crown Hill Cemetery, with the Rev. Wayne Isgriggs officiating. There will be no visitation.

Arrangements are under the direction of McLaughlin Funeral Chapel.

This cemetery was copied for the DAR by Mrs. W. F. Bishop, Mrs. Ira A. Leiter, and Mrs. D. M. Middleton, 12 March 1957.

Betty Singer produced an unpublished book "*Hopes Lie Buried here*" in 2000. The focus of this book is the DeJarnatt Cemetery (her spelling):

"The DeJarnatt Cemetery is located north of Sedalia on land formerly owned by one of Pettis County's earliest settlers, Rev. John W. DeJarnatt. He came from Kentucky to Missouri about 1831.

The first recorded grave in the DeJarnatt Cemetery, dated March 1851, is that of Christopher DeJarnett. He was the son of Rev. John W. DeJarnatt and Julia Ann Franklin Clopton DeJarnatt. As was the custom in the early days of the state [of Missouri], this was a family burying ground, located [in] back of the house.

In 1915, James A. DeJarnette, a great-grandson of Rev. DeJarnatt, built a new home, moved their three children their from the old house, and established a dairy. The old DeJarnatt house then was removed, leaving behind the old fruit cellar, which is still visible, as well as the base of a silo where the barn last stood. The burying ground by that time was no longer in use. The last grave was interred there in 1912.

As the years passed, the burying ground was not easily accessible, several stones bore no names, and visitors were few. Thorn trees grew up in the cemetery and livestock roamed among the gravesites. That, combined with the elements and passing years, resulted in many of the stones being damaged. The fence around the cemetery was broken down, yet the hedge posts and much of the barbed wire remained.

In 1971, the DeJarnatt descendants sold the farm to Wendell and Betty Fletcher of the state of California. Mr. Fletcher was president of Fletcher Aircraft, a large aircraft manufacturing business in El Monte, California. While living on the

DeJarnatt farm, they were involved in breeding Charolais cattle and established what now is the Sedalia Bed and Breakfast.

After Mr. Fletcher's death, the farm was sold to Dan Ice. Recently, Mr. Ice subdivided the land into building lots. Today, a beautiful, upscale housing addition named Tanglenook Run is being developed.

In 2001, Mr. Ice sold Sedalia House and its surrounding acreage to Mark and Kim Phillips. In addition to being a bed and breakfast, the setting is available for anniversary celebrations, honeymoons, reunions, receptions, picnics, and other parties.

The DeJarnatt Cemetery, now restored and surrounded by a new split-rail fence, again is near the bustle of daily life. It remains a loving tribute to those who came before.”—Betty Wasson Singer, *Hopes Lie Buried Here*, 8-9

Samuel Durley Cemetery

Cedar Township, Section 14. Two miles north and east from city limits on Longwood road. When HH curves to the right (east).

Cedar TWP 46N, Range 21W, Section 14 (SE of SW); 4 miles North and East of Sedalia on HH

Samuel Durley, who was born in Kentucky, came to Pettis County, before 1840, from Illinois. His wife was Sallie Scroggins, daughter of George, who was born in Delaware. Samuel Durley and his wife Sallie were parents of three daughters and one son: Mary A., married Jesse Heard; Amanda A., married Elgin James; Sarah M., married John D. May; and Lon H., who is the father of Mrs. Vernon Cordry, who supplied this family information to the DAR.

This cemetery was copied for the DAR by Mrs. W. T. Bishop, Ira A. Leiter, and D. M. Middleton, 12 March 1957. They labeled it "Durley-DeJarnette Cemetery." Several of these markers were later removed to DeJarnette Cemetery

Durrill Cemetery

Flat Creek Township, Section 3 (NE of NE), T44N, R21W. South of Sedalia on Hwy U. A little south of Anderson School Road. Samuel L. Anderson, 31011 Hwy U, owns the property.

Recorded by Mrs. J. R. Carter.

UPDATE: Oct. 5, 2007, from [Vesta L. DeRiso](#)

"The Durrill Cemetery has been destroyed. The farmer (not Sam Anderson) who owns the land plowed it up and tossed the stones. There are 3 stones still in the woods - and two of them are not on the list - probably because the woods had already claimed them. One of them is Mary G., wife of M. Reed. The other is Ruth, wife of Jacob Yankee (which would be significant). She is Ruth Goodknight Yankee. The Goodknights have kept their cemetery in good order, and they might want to know that the stone is there."

²⁵⁰ Missouri Death Certificate: buried in DeJarnette Farm

Ellis Cemetery (1)

Ellis Cemetery (2)

Heath's Creek Township, Section 20. About 100 yards north of Kemp Road between Bois d'Arc & Woodland Roads. Property owned by Robert S. Leftwich, 16099

Woodland Road. Carol and Justin Watkins transcribed Ellis Cemetery on 17 December 2001.

Heath's Creek TWP 47N, Range 20W, Section 20 (SE of NW); North 8 miles on Highway 65, East on Kemp Road past Bois D'Arc; Cemetery on North side of road in a grove of cedar trees

This cemetery was copied by Mrs. Ray Carter, whose husband was a descendant of John Ellis through Martha Ann Ellis, who married William Martin Carter in July 1849. The stones were copied before May 1956. When Carol and Justin Watkins visited this cemetery, it was in decent condition (some minor damage). Justin Watkins revisited this cemetery on 5 March 2010. It is grown up. There are some thorns, seven stones were down, and there had been a lot of tree damage. A lot of prairie grass seems to be growing up as well. Some of the trees may be dying or dead, which may be the reason for some of the damage observed. The Leftwich marker, which was face down in 2001, had been placed back on its base by 2010.

Georgetown Cemetery

Cedar Township, Section 16 (T46N, R21W). Just northeast of Georgetown. Entrance through Mittlehauser property on Hwy H. Cemetery abandoned.

Cedar TWP 46N, Range 21W, Section 16; Northeast of Georgetown; Last burial in 1951; Entrance through Mittlehauser lot; Neglected; in 2010, this property was owned by Jim and Marguerite Talbot, 21603 Saline Rd, Georgetown, MO

This plot shows that it has been much neglected for a period of years. Many graves not marked and others with records that cannot be read. While it was laid off as the county seat in 1837, many of the people in that area had private cemeteries at their plantation homes. DAR transcription: records copied by Mrs. W. T. Bishop, Mrs. Ira A. Leiter, and Miss Mamie J. McCormick, 30 October 1952. The listing below includes all burials that I have found listed as “Georgetown, MO” in the Missouri Death Certificates. Some of these may be for a Georgetown Colored Cemetery, while others clearly are for one Ford Cemetery. Additional names in this file are from visits to the cemeteries in Georgetown by Betty Singer on 10 November 2002

Good Hope Church Cemetery

Another cemetery whose location is a mystery. It is apparently in Pettis County ... possibly somewhere in the Green Ridge area. The following is from the Missouri Death Certificates.

Asbury Goodknight Cemetery

Flat Creek (?) Township – Section 2.

Flat Creek TWP 44N, Range 21W, Section 2 (SE of NE)—located off a gravel road, south of F and east of U (Note: I attempted to visit this cemetery on 18 August 2009, but the entrance was overgrown. Will have to attempt in winter). I visited this cemetery on 5 March 2010.

DAR: This family cemetery is located in Flat Creek TWP, Pettis Co., MO, in Section 2, TWP 45, R21. This location is about 6 ½ miles south of Sedalia, MO, and is on the farm owned now (1952) by Ted Welliver. Michael Goodknight's wife, Comfort, was the daughter of Captain George McCormick, who served in the Revolutionary War from Virginia. He later moved to Mercer Co., KY, where he died. Michael and Comfort Goodknight were the parents of twelve children. Three of them, John, Elizabeth, and Napoleon are buried in this cemetery with their parents. This material by descendants of Captain George McCormick, Mrs. Bessie

Breedlove and Miss Mamie McCormick, members of the Osage Chapter, DAR, Sedalia, MO (1952)

Begin at Hwy 65 & F (Anderson School Road). East on F about 3.5+ miles to Hendrickson Road connecting from the south. Turn right approx .3 mile. On the east side of the road is a gate and small sign that says, "Asbury Goodknight Cemetery."

This list was recorded by Mrs. J. R. Carter, with the addition of directions and the recording of the Asbury Goodknight marker by James Allen Goodknight.

38.37.17N – 93.20.11W: Green Ridge Township, Section 2. West of town. Currently accepting burials. Unrecorded for our purposes...BUT...the State Historical Society, Typescript Collection (C0995 – 14 rolls of microfilm), Item #342, is a list of cemetery inscriptions in this cemetery of markers prior to 1900. (No recording by Mrs. Carter, [but it was recorded by the DAR])

GPS 38.37.17N - 93.24.54W: Green Ridge Township - Section 1. On the northwest side of town, about a block from the junction of 127 & B. Largest unrecorded cemetery in the county. I recorded only three rows in the se section (above). I am including them so they will be indexed. GCW

This list is provided from my personal genealogy records, as well as a partial transcription done on 12 June 2004 between 7 and 9 p.m. by Justin, Carol, and Amy Watkins. As you can see above from the material taken from the Pettis County usgenweb page, Willick displays an ignorance concerning the DAR's recording of Green Ridge Cemetery. He likewise seems to be ignorant of the DAR's recording of Smithton Cemetery. I here include Willick's transcription, my own, and the DAR's recording. A recording of markers prior to 1900 is available through the Western Historical Manuscript Collection and the State Historical Society of Missouri:

Item # 342

Green Ridge Cemetery Inscriptions, n.d. (List of cemetery inscriptions from the Green Ridge, Missouri, cemetery of people who died prior to 1900.)

I requested this microfilm on 3 January 2006 and the University of Missouri-St. Louis received the film 4 January 2006. This material was added 5 January 2006. The recording was done in 1955. A further listing of the older section of Green Ridge Cemetery was printed in the *Prairie Gleaner* 16, nos. 1 (January 1985)-4 and 17, no. 1 (January 1986). In 2003, A. J. Heck reported on genforum that the sexton of this cemetery was J. C. Hunton. In February 2008, Morris E. Hinken, a member of the Green Ridge Cemetery board submitted a transcription of stones to the Pettis County genweb page.

GPS 38.37.17N - 93.24.54W : Green Ridge Township - Section 1. On the northwest side of town, about a block from the junction of 127 & B.

February 2008. A major update below on interments in this cemetery --- contributed by Morris E. Hinken.

"I have been on the cemetery board since 1970 and the treasurer for about 10 years. This cemetery is owned by the City of Green Ridge, Missouri, and operated by an independent board at their discession. When I semi-retired in 2000, I took it on myself to get a more thorough record for the cemetery and get it on computer. The information has been compiled from the records of the cemetery board, walking the cemetery, records of local morticians, death certificates recorded with the state of Missouri, and individuals."

From the Sunday, August 28, 2005 issue:

Vernon R. Arnett, 1919-2005, Stockton

Vernon Russell Arnett, 85, of Stockton, formerly of Green Ridge, died Friday, Aug. 26, 2005, at his home.

He was born Oct. 27, 1919, near Green Ridge, a son of Samuel and Jessie Ryan Arnett. On June 5, 1938, he was married to June Allen, who died March 30, 1967. On Nov. 24, 1967, he was married to Mildred Fleeman, who died July 20, 2001.

Mr. Arnett was a 1937 graduate of Green Ridge High School. He farmed in the area all of his life until his retirement in 1985, when he moved to Stockton. In Stockton, he raised cattle and opened the Country Oaks Estates housing development. He enjoyed collecting old farm machinery and tools, converting his barn into "The Ol' Man's Antiquity Museum."

Surviving are two daughters, Gwendolyn Hinken, and her husband, Morris, of Green Ridge, and Sandra Moore, and her husband, Harry, of Stockton; a brother, Donald Arnett, of Houstonia; six grandchildren, Evann Clayton, Jeannine Dove, Holly Braden, JoAnna Young, Stephanie Nelson, and Vernon Moore; and 13 great-grandchildren.

He was also predeceased by a sister, Betty Lou Scotten.

Funeral services will be at 10 a.m. Monday at the Brumback Funeral Home in Stockton, with the Rev. Harry Moore officiating. Graveside burial services will be at 3 p.m. Monday at the Green Ridge Cemetery.

Pallbearers will be Vernon Moore, Stefan Moore, William Braden, Steven Nelson, Larry Young and Milo Young. Honorary pallbearers will be Tony Clayton, Austin Clayton, Joe Dove, Ray Arnett and Roy Arnett.

Visitation will be from 4 to 5 p.m. Sunday at the funeral home.

The family suggests memorial contributions to the Support Our Soldiers project at First United Methodist Church of Sedalia.

GREEN RIDGE Cemetery

GPS 38.37.17N - 93.24.54W : Green Ridge Township - Section 1. On the northwest side of town, about a block from the junction of 127 & B.

February 2008. A major update below on interments in this cemetery --- contributed by Morris E. Hinken.

"I have been on the cemetery board since 1970 and the treasurer for about 10 years. This cemetery is owned by the City of Green Ridge, Missouri, and operated by an

independent board at their discession. When I semi-retired in 2000, I took it on myself to get a more thorough record for the cemetery and get it on computer. The information has been compiled from the records of the cemetery board, walking the cemetery, records of local morticians, death certificates recorded with the state of Missouri, and individuals."

GRESHAM, ANDREW B FEB 5 1813 D NOV 26 1863

Andrew Gresham was the son of Benjamin Gresham and Mary Webb. Andrew Gresham married 8 May 1850 in Pettis Co., MO, to Hesther Brock. Benjamin Gresham was a native of Virginia who moved to Milledgeville, Lincoln Co., KY. It appears that at least one of Andrew's siblings (William) remained in Kentucky (and perhaps his parents did also.) [James Brock was probably Andrew's brother-in-law.]

The DAR received records from Edith Gresham Davis, wife of Martin Davis and granddaughter of Andrew Gresham

Haggard Cemetery

Sedalia Township, Section unknown...but likely 17. By process of elimination, this almost has to be a cemetery marked on the Pettis County map due west of the junction of Limit and Elm Hills Blvd...or, said another way, on the west side of south Hwy 65, about a quarter mile north of Sacajawea. It would be west of the commercial properties fronting Hwy 65. [I stay at a motel near here and questioning locals hasn't turned up a location for this cemetery as yet. GCW]

Cedar TWP 46N, Range 21W, Section 31; Entrance is .1 miles on Oak Grove Road; Property owned by Broderick and Bascom; Must have permission to enter

Harnerd Cemetery

Bowling Green TWP 46N, Range 20W, Section 31 (NW of SW)—this would be north of US 50, but south of the MKT Railroad (Katy Trail)

NOTE: No members of this family are listed in the Missouri Death Certificates or in the Social Security Death Index. I also have not found any Harnerd family members in Missouri in United States census records. Perhaps “Harnerd” was a typo—there is a Harned surname.

Sedalia Hebrew Union Cemetery

Sedalia Union Hebrew Cemetery

Founded 1871 and located in Sedalia at 2706 S. Grand Avenue, west side of the street. This small cemetery is well-kept and fenced, about a 60 yard square. Many inscriptions in both Hebrew and English. Minor stone damage given the time frame, mostly from tree/limb falls and freezing/thawing. A large stone was toppled backwards off its base when I made the initial recordings, when I returned in two days to check markers under different light, the stone had been replaced.

Several markers were totally in Hebrew, and some would give the name in Hebrew and the dates in English. And three were unreadable only because I never caught

She was born April 8, 1930, to George Otis and Lorene Frances Gooden Fornshell Sr. in Vernon County.

Memorials may be made to the family in care of the funeral home.

High Hill Cemetery

38.51.16N – 93.14.41W: Hughesville Township, Section 17. On D just east of High Point Cemetery about a quarter mile, south side of road. Cemetery inactive, if not destroyed. Cemetery is not visible from Highway D, I will have to return and look for this cemetery. It has probably been destroyed. I am of the opinion that High Hill and High Point are the same cemetery.

High Point Cemetery

Located: Hughesville Township – Section 17. Cemetery is on the sw corner of the intersection of D and Highpoint road. Attended, fenced, and only half platted. Faces east. This cemetery is also known as the Hughesville Cemetery, even though there is another of that name in Hughesville. [Why is that cemetery not listed by Willick separately? I find no mention of a separate “Hughesville Cemetery” anywhere else]

Hughesville TWP 47N, Range 21W, Section 17; North 9.6 miles to D, West 2 miles to High Point Road and Cemetery

“High Point Cemetery is located in Houstonia Township, in the eastern part, about 12 miles north of Sedalia, Missouri.”—DAR

Mr. and Mrs. Crume were among the original members and founders of the High Point Christian Church, also Colonel Thomas F. Houston, who was the son of Placebo Houston and grandson of Christopher Houston, an eminent soldier and officer of the Revolutionary War, who settled in Rowan County (now Iredell County), North Carolina.

High Point Cemetery

Hughesville Township, Pettis County, Missouri

Contributed by Laura Paxton, May 2000 [llpaxton@murlin.com]. Total records = 309.

Located: Secton 17, Township 47N, Range 21W. north on Highway 65, 9.6 miles from the city limits to west on D, 2 miles To Highpoint Road and cemetery. Transcribed By Laura Paxton.

This transcription was originally compiled by J. R. Carter, and subsequently reprinted by the West Central Missouri Genealogical Society in 1997, as "Tombstone Inscriptions of Pettis County, Missouri : Vol 1, 2, and 3". Laura Paxton transcribed this work from these books. **Carol and Justin Watkins partially transcribed High Point Cemetery on 27 July 2001. This list was also updated from obituaries and the DAR transcription from 1969. George C. Willick also provided an additional update on 8 June 2003; Justin Watkins updated again on 18 July 2009**

Anders, Jay; May 21, 1931 – Mar 10, 1980 7 Mar 1980

Anders, Jay - Death date was 3-7-1980 - He was Catholic - somehow they seem to use the burial date as the death date - rather than the death date. Have you noticed that? I have been doing a lot of work on Calvary (Catholic) Cem. Here in Sedalia -- and have found this to usually be the case.

Bake, Augustus Gustas; May 4, 1833 – Sept 21, 1904

Augustus Bake 4 May 1833 21 Sep 1904

**Isabella "Bell" Butterbaugh Bake 10 Jan 1848 28 Sep 1922 Sedalia, MO
Indexed as "Isebel Baker"**

Bake, Bell - is an unmarked grave - name is Isabella Butterbaugh Bake - know she died after September 9, 1904. Some confusion on this one in my mind as the Butterbaugh Family History shows her as Nancy Elizabeth Butterbaugh -- and that is incorrect. - so don't have a birth date for her - or a death date - but got probate records and everything checks.

Hopewell -- Isabella "Bell" Butterbaugh Bake died 9-28-1922
Her obit calls her Elizabeth Bate -- and the death certificate shows her as Isebel Baker. [*But the cursive handwriting on the certificate suggests that the last name is Bake and not Baker as it is indexed.*]

Burials from Jan 01, 1968 to Jul 19 1986 are listed here. Older ones will be found in the original cemetery listing. [Ed. Note: the 1968 to 1986 listing is found in the 1986 DAR update.]

This transcription was originally compiled by J. R. Carter, and subsequently reprinted by the West Central Missouri Genealogical Society in 1997, as "Tombstone Inscriptions of Pettis County, Missouri : Vol 1, 2, and 3". Laura Paxton transcribed this work from these books. [This transcription is not from Mrs. J. R. Carter's work. It is instead from the 1986 DAR update to the DAR's previous recordings.] I now include the original DAR transcription, which was produced in 1969.

SWOPE CEMETERY

Dear Members of the Swope Family,

The Swope Cemetery, with members of the Swope, Alexander, Jones?, and Callis families buried there, has been damaged by right-of-way contractors, working for Panhandle Eastern Gas Pipeline Company. Brush and trees have been pushed into and onto the Swope

Cemetery. Headstones have been damaged and covered with brush and trees. In addition to this damage, the cemetery has been neglected for several decades. Additional trees, saplings, and weeds are overtaking the entire cemetery.

The Swope Cemetery is located, north of Sedalia, in Pettis County, and centrally located, on private property of the Schondelmeyer family, by the following roads and highways. On the west, by North Highway 65, on the north, by Deer Park Road, on the east, by Longwood Road, and on the south, by "J" Highway.

A property damage case has been filed with the Pettis County Sheriff's Department and the Pettis County prosecuting Attorney's office, as to the damage done by Panhandle Eastern, but the company may only be responsible to remove, just the brush and trees, that they pushed into the Swope Cemetery. Additionally they may pay to have the cemetery surveyed, marked, and the information entered into public records.

We would like to see the Swope Cemetery cleaned up, trees cleared, grass mowed, fencing & gate installed, and a new monument marker placed.

However, we need help from family members that have relatives buried in the Swope Cemetery.

-

Is there anyone that cares enough to volunteer, their time, equipment, vehicles, and/or money

to go into the cemetery and clean it up?

**Do not let the Swope Cemetery
be lost and forgotten forever!**

If interested in helping, please contact, members of the Alexander-Tevis-Curry Family

legal description

The Swope Cemetery

By John Schondelmeyer,

The property and grave yard
were established by Jesse Swope
between when he acquired the
Land patent in 1859 when the
estate was posted to the County
of Pettis.

The land records show that the
east half of the south west
quarter of Section 2 in Township
47 of Range 21 contains 80 acres
in Pettis County Missouri, was
purchased from the United States
by Jesse Swope on the 13th day
of May 1928. Certificate 3017.

That the said land was patented by the United States to Jesse Swope on the 2nd day of April 1829, and the patent is recorded in volume 7 on page 46 of Records of the General Land Office, Washington, D.C.

Abstract entry 20, shows records from Pettis County, Missouri, in Book "Q" Page 51.

Sheriff's Deed in Partition.

To all to whom these presents shall come, I, William P. Paff, Sheriff of Pettis County, in the State of Missouri, Send Greeting:

Know Ye, That Whereas, at the September Term 1868 of Common Pleas Court ...

{Down in the description of the property is the Grave Yard set aside}...

The South West quarter of Section two (2) and twenty (20) acres off of the West side of the South West quarter of South East Quarter of Section Eleven (11) all in Township Forty seven (47) and Range Twenty One (21) situate in the County of Pettis and State of Missouri, containing in all two hundred and twenty acres more or less (one acre of said land however, having been reserved for a grave yard on the place where the same stands now)...

This is the description from the

Land Abstract which I have in my possession.

Leonard Anderson said in a later e-mail that there was a burial mound located at this cemetery. Check p. 140f of History of Saline County (1881). Also, check histories of Cooper and St. Charles counties. I found nothing in history of St. Charles County about an Indian attack out west in the Pettis County area.

To reach this cemetery from Sedalia MO, travel east on Highway 50 to Route W. South & east on Route W to railroad tracks, then south on Route W 6.2 miles, Turn south onto Lutman Road for 2 miles. Cross Lake Creek Bridge, then travel 1/4 mile to cemetery entrance, on west side of road and up the hill to cemetery.

The first Lake Creek Church & Cemetery was founded in Jan 10, 1845 with land donation from Cord & Gretje Miller: 1/2 acre, \$1.00 & other considerations. T44 R20 S13 of Pettis County MO. The Lake Creek Cemetery expanded to 11/2 acres purchased

from Cord Miller in 1851. The church moved to T44 R20 S11 of Pettis County MO on Jan 29, 1857 on 40 acres, paid \$75.00 to Gerhard Ringen.

Additional information from Information from Book C from Sep 1841 to Sep 1846 - page 570 recorded at Pettis County MO Recorder of Deeds Office and also from Book H from 1875 to Jul 1858 - page 207 recorded at Pettis County MO Recorder of Deeds Office.

Paul Culp and I visited and transcribed from all existing and legible stones and markers in this cemetery in Oct of 2009. I then compared this with the previously mentioned records.
