Abell-Ransdell Cemetery

Flat Creek Township - Section 24 : 38.39.15N - 93.10.39W. North-east corner of Section 24, on the east side of M just north of Pleasant Hill Road. Clearly visible.

The cemetery is a quarter-acre square and is located on land donated by Mr. Abell, who is not buried there, nor any of his family so far as anyone knows. The cemetery is locally known as the Bryant Cemetery, from the number of fine stones placed there by a Sedalia madam named Polly. [All entries in this format are from George Willick's material on the Pettis County website.]

This cemetery was canvassed 20 July 1960 by Mrs. Georgia Chancey, Mrs. Juanita Waggoner, Mrs. Maggie Furnell, Mrs. Edna Wilson, Mrs. Lucetta Landon, and Miss Janice Landon of the Church of Jesus Christ of Latter Day Saints of Sedalia, Missouri.

Benjamin Ransdell married Sally Higgins in Mercer County, Kentucky on 20 January 1820; they came to Pettis County in the early 1830s and entered land, including this cemetery. Another pioneer family from Kentucky, George May, also entered land nearby. The early burials were those of these families and other families related through marriage: Mosby, McFatrige, Mackay, and Bryant. The name Abell was given to the cemetery plot because a Dr. Abell owned the surrounding farm land for a period of years. There were no burials from this family. The cemetery is kept in good condition, in later years much of this care has been by descendants of the William and Nancy (Cathey) Bryant family. This cemetery was copied by Mrs. D. M. Middleton and Mrs. Ira A. Leiter, 1 March 1956. Also known as Abell Cemetery

An additional transcription appeared in the *Prairie Gleaner* 2, no. 3 (June 1971), 64.

George C. Willick updated this cemetery on 3 June 2004; Carol, Amy, and Justin Watkins further updated it on 1 September 2009
