

Beaman Cemetery

Justin Watkins visited this cemetery on 15 January 2010. Additional information from death certificates. Take US 65 to Hwy HH; turn east on HH; pass Hwy O, continue on HH; cemetery on left side of road across the street from 31464 Hwy HH. This cemetery has not previously been transcribed. I revisited this cemetery on 19 March 2010. Thank you to Betty Singer for pointing this out to me in January 2010. The below information is from a combination of death certificates and tombstone pictures taken 15 January and 19 March 2010. I later found out that the person who owns the property lives in the house east of the cemetery on the same side of the road.
