Elk Fork TWP 45N, Range 23W, Section 1; West 8 miles from 65 on Y to Botts Road, North .5 miles to Grand Road, which leads into cemetery

DAR: Botts-Walnut Branch Cemetery is near the center of Section 1, TWP 45, R23, Elk Fork TWP, Pettis Co., MO. The location is west on 16<sup>th</sup> Street from Sedalia 8 ½ miles east and north on side road. The church building (Baptist) was destroyed by fire “recently” (1953) and the road leading to the cemetery is east of the church site. The cemetery site is on land entered by Seth Botts from Tennessee, who came to Missouri with his family about 1832. The *Pettis County History*, 1882, on pp. 964-965 gives names of early members of the church. Inscriptions were copied by Mrs. W. E. Burford, Mrs. Ira A. Leiter, and Miss Mamie J. McCormick, 12 January 1953

An updated transcription of this cemetery was done in 1974 or 1975 and published in *Pettis County, Missouri, Records*; this cemetery was included in the 1986 DAR update

Justin Watkins visited this cemetery on 8 June 2008 and updated the cemetery via photographs and notations. Prior updates are from the DAR and the Missouri Death Certificates. Officially known as Botts Cemetery
